**STARTUP LADY**
BE THE GAME CHANGER

FREE VIRTUAL SPEAKER SERIES

WOMEN IN TECHNOLOGY JAPAN (WITJ) & STARTUP LADY ARE PROUD TO INVITE
ANDREW MANTERFIELD FOR THE SECOND TIME AS KEYNOTE SPEAKER

AN INTERACTIVE WORKSHOP THRIVING AT WORK AND AT HOME: RESILIENCE AND WELLBEING

ANDREW MANTERFIELD
Executive Coach

A hands-on workshop to explore and understand the importance of resilience. Reflect on current expectations and discover resources you already have on hand to unleash your potential. Andrew will guide us through world class theory and combining it with our own wisdom and experience to learn from, and inspire each other **This session will be delivered in English.

Andrew Manterfield is an independent executive coach based in Tokyo. He works with leaders 1-2-1 and in group sessions. His purpose is to find greatness in every person he meets and to ensure they live their greatness every day.

Andrew has worked face to face with leaders in 32 countries globally and also delivers circa 70 virtual classrooms each year. He utilizes his wisdom accumulated over 30 years in business to help individuals fulfill their potential and achieve their dreams. He is passionate about helping organizations create great leaders and workplaces where individuals can flourish and succeed.

Women in Technology Japan (WITJ)
is a volunteer organization with the mission to increase women's participation in the technology field and promote female leaders to be the forefront of innovation.

Startup Lady is a volunteer-based organization focused on bringing gender equality to the startup community.

Fostering a safe space and community for women and non-binary individuals to find, start, and grow their own businesses with inspiration, education, and support.
